MG100-Tyrolean-Tour

30.5. – 2.6.2024

From May 30th to June 2nd 2024, the "MGOC-Austria" organizes a tourist/sporting excursion on the occasion of the 100th anniversary of the "MG" brand. The 30th (Corpus Christi) is the day of arrival. In the evening, there will be a joint meal for the participants. On Friday (31st) and Saturday (1st) we will drive through the beautiful mountains of Tyrol in 2 daily stages, returning to our quarters in the evening. Some simple tasks will allow us to create a ranking. The top three in this ranking will be awarded trophies. We will also award trophies for the longest journey and the oldest vehicle.

All members of an MG club and/or owners/drivers of an MG are eligible to participate. Club members of an MG club may also exceptionally take part in the event with a classic car of another brand. For members of an MG club, there is an entry fee discount. The number of participating vehicles is limited to 35.

Return day is Sunday, June 2nd 2024
